

RICHMOND COMMUNITY Federal Credit Union

Richmond Community Federal Credit Union wants you to be able to enjoy the benefit of online banking and online e-statements. Not only does it save trees and the environment, it is a more convenient, more secure way to receive your account information.

You will enjoy the benefits of having the ability to view and print your statements from home. The RCFCU@Home online banking also allows you to view your account 24/7 so you can see what transactions have cleared your account on a daily basis if you wish. You also have the convenience of doing transfers on your account from your PC.

We also offer Bill Pay on our RCFCU@Home so you have the convenience of paying bills from your account from home without the worry of writing checks and purchasing stamps.

All you have to do to receive \$5.00 from Richmond Community Federal Credit Union is to sign up for RCFCU@Home and sign up to receive e-statements instead of your paper statement you now receive in the mail.

Please contact us if you have any questions concerning signing up for any of our online services and we will be happy to guide you through the process. It only takes a few minutes of your time and you will have all your banking information at your fingertips any time you need it.
